

ADDENDUM TO FACT SHEET
NPDES Permit WA-000109-1
Georgia Pacific West
July 1, 2008

This is an addendum to the fact sheet accompanying NPDES permit WA-000109-1, issued to Georgia Pacific West on March 1, 2007.

The following minor modifications are made due to changes in use and ownership of the site.

- Cover page: The past owner, Georgia Pacific West Inc. and its old address have been changed to the new owner, the Port of Bellingham, and its administrative office address. This change is reflected throughout the permit. The signature block has been changed to reflect that the Bellingham Field Office now provides permit oversight.
- Page 11: The address where monthly discharge monitoring reports should be sent has been changed to:

The report(s) shall be sent to the address below:

Department of Ecology
Bellingham Field Office
1440 – 10th Street, Suite 102
Bellingham, WA 98225-7028

- Page 28: Condition S11. Stormwater Pollution Prevention Plan (SWPPP) has been updated to reflect the current requirements. The title, publication number, and web-reference for guidance manual for stormwater pollution prevention plans have been changed to reflect the latest edition. Inspections have been changed from 2 per year to 4 (quarterly) to reflect the new standard.
